

Seaholme Primary School Bikes, Scooters and Skateboard Policy

Rationale:

- Students travelling to and from school, as well as at school need to be safe. Bicycles, scooters and skateboards are popular means of transport for students, but require regulation and management.

Aims:

- To provide a school environment, which is safe for students, which is practical, and balances the rights of individuals with the schools duty of care toward all staff and students.

Implementation:

- Bicycles, scooters and skateboards are very popular means of transport for students, but are also often involved in serious accidents.
- It is well recognised that young children have underdeveloped motor skills, peripheral vision and judgement.
- Our school will provide safe storage for bicycles ridden to school by students under the following conditions:
 - Students wear helmets
 - Bicycles are in road worthy condition
 - Children under the age of 10 years ride to school in the company of an adult.
- All parents will be made aware of these school rules, and the safety reasons supporting them.
- Students who contravene these requirements but ride bicycles to school, cannot bring their bicycles onto school property or store their bicycles at school.
- Bicycle education, road rules and safety will form part of the school curriculum.
- It is not recommended that scooters are ridden to school.. If scooters are ridden to school, students should wear helmets. Scooters which are ridden by students without helmets or are powered by motors of any kind can't be brought into, or stored in the school.
- It is not recommended that skateboards are ridden to school.. If skateboards are ridden to school students should wear helmets Skateboards are to be stored safely in the classrooms.
- Bicycles, scooters or skateboards cannot be ridden inside the school grounds at any time.
- Students who break school rules will be managed in a manner consistent with the student discipline policy.
- Awards to students who demonstrate safe practices with bicycles, scooters and skateboards will be awarded at assembly at different times of the year to promote correct behaviour.

Evaluation:

- This policy will be reviewed annually as part of the school's three-year review cycle.
