Any further comments or feedback on school uniforms would be most appreciated.

- Please keep the current colours and design
- The uniform should be supplied directly by school
- Waterproof jacket would be beneficial
- Suppliers are not helpful
- Burgundy parker and polar vest would be good
- No suitable pants/shorts for girls
- Supplier never has stock in store
- Quality is very poor
- Skivvies in gold for under dresses would be good
- Some items a bit expensive
- Don't agree with children wearing additional items such as leggings
- Would like leggings as part of the uniform
- I like the SKORT option available from Best and Less
- Tights for girls either maroon or black
- Bike shorts for under dresses not leggings
- Compulsory to wear full school uniform for photos (must have emblem)
- Not necessary to change uniform, it is bright so children are easily seen on roads and it cleans well
- Would like to be able to purchase School logo separately to be sewn on
- Restrict shoes to school shoes and sneakers only with white socks
- Zip on school bag broke quickly
- How much extra will it cost to have uniforms sent out if using internet for ordering?
- Full uniform to be worn on excursions and everyone wear black shoes
- It would be nice if uniforms were available locally within Hobson's Bay
- Cotton pants are hard to purchase other than through Supplier

- As tunics increase in size they do NOT get proportionally wider, mostly longer
- Dress belt remains high at the back
- Double C not having stock at beginning of school year even if pre ordered
- Sizing of t-shirts differs
- The quality (cut and material) of the pants does not appeal to me
- We like Seaholme School uniforms! Both design and colour are great!
- Higher quality bomber jackets eg. Puffer jackets
- Smaller school logo embroidered on the polo tops would be great-screen printing fades
- Need to have a bigger variety of accessories eg. Scarves, approved stockings
- T-shirts do not wash well, seem to keep stains
- I haven't had any issues with school uniform at all, Pretty pleased with it
- Uniform is easy to obtain, people are helpful.
- Deer Park is too far
- I'd prefer to leave it as it is
